

# UNITY DUAL 6 X 2.4 kW CANADA

## The All In One Solution.

Today's entertainment productions require more and more data on set as smart lights are evolving rapidly with higher channel counts and more universes of DMX being required. RatPac's Unity stands alone as an all-in-one solution as a dimmer (at 1.2k or 2.4k), switchable power source, opto-splitter and unmanaged switch. 11 universes of DMX output in all.

### UNITY EDISON DUAL 6X2.4 kW CANADA

INPUT: 100A 120V 60HZ SINGLE PHASE INPUT POWER WITH E1018 CAMLOKS  
OUTPUT: 12X1.2kW OUTPUT CHANNELS  
BATES STAGE PIN CONNECTOR AVAILABLE

### OVERLOAD PROTECTION

20A RESETTABLE BREAKERS
