

RATPAC 24 CHANNEL LED COMPATIBLE WIRELESS CONTROLLER

Our universal controller redesigned.

Available to fit all 20 and 23 inch dimmers. Featuring Bi-Color bump buttons to indicate local or DMX control, built-in battery to connect to all wireless, secure locking tray, and self-terminating DMX. Easy to use control dip switches allow you to select dim and non-dim modes from a plexi sliding panel. Also available as part of a kit to retro-fit Ratpac 20 - 23 inch dimmers.
